

Laptop Allowance Policy

Laptop Allowance Policy- FY75/76

Laptop Allowance provision has been created for employees who prefer or wish to bring their own personal laptop for official use. This allowance is offered to offset the cost of their personal devices being used for office work.

Eligibility:

1. Employees of any tenure are eligible for this allowance.
2. Employees who require laptop or computers for their job nature. Requirement will be verified by the employee's supervisor.
3. Employees who have to work for a minimum of seven hours in laptops for official purposes during office hours. Number of hours will be verified by the employee's supervisor.
4. Departments like Customer Service Phone Support, Enterprise Phone Support and Retail Call Centre will not be eligible for this allowance because of their shift wise job nature.

Procedure:

1. Prior to using personal laptops for official use, the employee must present their laptop to the hardware department for them to assess if the laptop is of workable condition. The hardware department will then configure it for standard apps and logins required to use inside the office premises. They will also inspect the laptop for minimum device specification for office use.
2. Employees should return their company owned laptops to hardware within 15 days of using personal laptops at work. Hardware will then inform HRD regarding allowance provision to the staff.

Allowance:

1. Rs. 800/- shall be provided as laptop allowance on monthly basis for using personal laptop for official purpose.
2. Either personal or official laptop if repairment identified then amount shall be shared 50-50 with staff and company not exceeding Rs. 8,000/- annually. Quotation is mandatory as part of the process.

Allowance Duration:

The laptop allowance can only be paid to an employee for a maximum of four years for one laptop depending on the lifespan and condition of the laptop.

Servicing

All Laptop/Desktop used within office premises will be serviced once in six months. Branch offices should coordinate with hardware department for vendor allocation.

Limitations:

1. The employee is personally liable for all the costs associated with his or her personal device.
2. The responsibility of safe handling of laptop issued to an employee shall solely lie with him/her and the Company is not responsible for loss of Laptop, and the entire amount shall be recovered from the employee concerned inadvertently.
3. The laptop allowance will be considered a part of the employee's income and will be subject to tax as per prevailing laws.
4. Strict confidentiality of data/information shall be maintained by all employees irrespective of personal or official laptop usages.
5. No installation of new software without prior approval from the company will be done (in case of official laptop)
6. In case an employee resigns from the services of the company, he/she shall handover the official Laptop assigned to him/her in good working condition to the HR/Admin Department for Clearance procedure. If not, the cost of the same shall be payable immediately.
